Dear Nick:

Enclosed is a copy of an Examiner's Action (including references) issued by the U.S. Patent and Trademark Office on March 25, 1991 in connection with this case. A response is due June 25, 1991.

The Examiner has rejected all claims as obvious from the combination of McCarty et al. U.S. Patent 3,744,496 and Europe 0 085 494, sometimes in combination with Luke U.S. Patent 4,637,410.

I look forward to your comments on the Examiner's Action and the references so that a timely response can be prepared and filed.

Very truly yours,

Jeffrey H. Ingeman
